FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal requires the Public Administrator of Jackson County, who is serving as a conservator, to have pooled accounts audited at least once a year. The audit must review all receipts and disbursements of each estate account and a CPA must report to the judge about each account. The county is responsible for the expense of the audit.

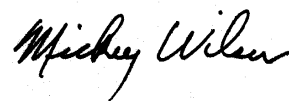

Under this act, an account cannot be considered pooled unless: (1) It is maintained at a bank or saving and loan institution; (2) It is titled to reflect that the account is being held by a fiduciary; and (3) The fiduciary maintains records that contain a statement of all accretions and disbursements and are maintained in the ordinary course of business.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
